

S.O.S. Crown Heights

Save Our Streets

Too many of our residents have suffered through the loss of loved ones.

Although we hear that some crime is going down in Crown Heights, our young men, women and families are still being shot. You can be anywhere and get shot.

S.O.S. Crown Heights has a Solution

With your help, this program will work in Crown Heights. Our outreach workers are teaching people that it's *not* okay to shoot. This program has changed the way people react to conflict. People are learning that violence *isn't* acceptable anymore. It *isn't* normal.

S.O.S Needs Your Help

We need the whole community's participation in stopping these shootings. Our neighborhood needs to take ownership of this problem.

Here are ways you can help stop the shootings:

- 1) Attend shooting responses
- 2) Volunteer at community activities
- 3) Hang posters in your building or place of business
- 4) Call our office for more opportunities

Shooting Response

Location: Park Place & Franklin

Time: 7PM

Date: 7/28/10
